ASSOCIATE MANUAL

This manual will take you through the basics of using the Associate application. This application was developed for airtel money associates to make transacting quicker and easier, provide data storage and retrieval services and report generation.

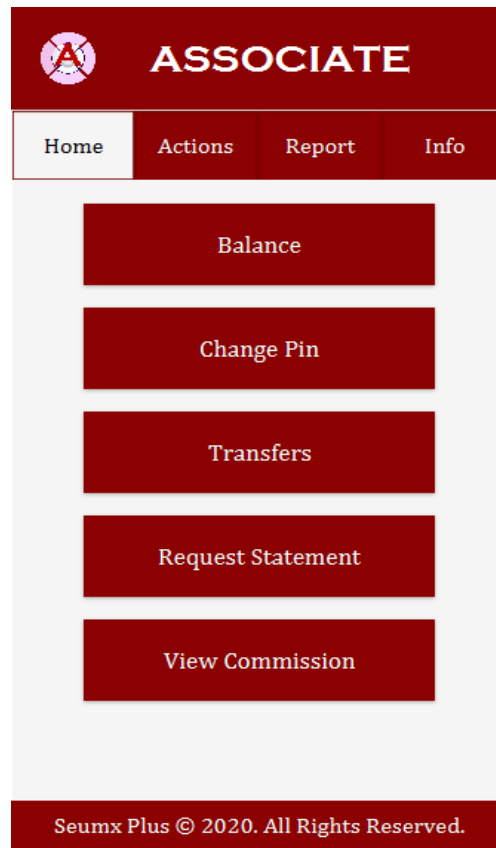

Let's get started with the app, when you launch this associate application, the following screen will be displayed.

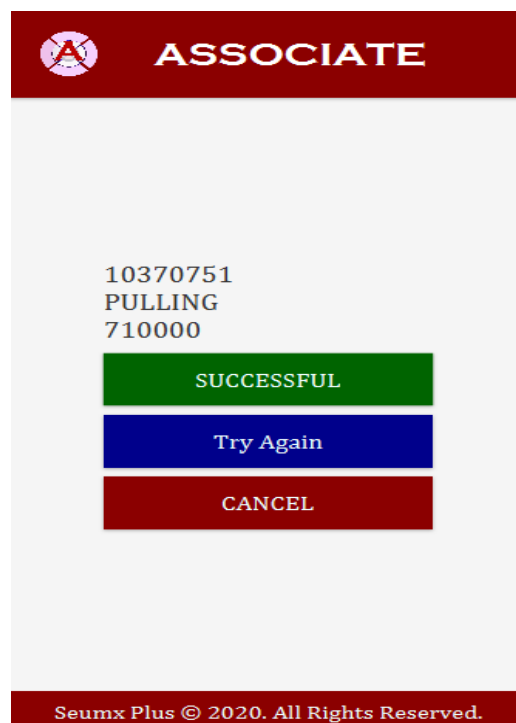

Push the start button to see app services as below.

Click HOME button to view all airtel money associate menu and transactions available as in the fig below.

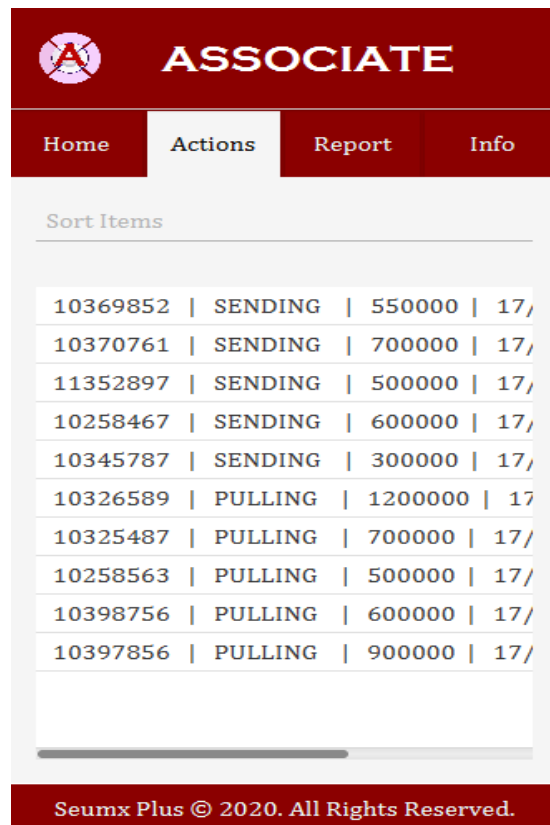

Go to transfers and perform your transactions, In the process of the transaction, the following screen will be displayed.

Click SUCCESSFUL to save your performed transaction, Try AGAIN to resend the same transaction and when you click CANCEL the transaction performed will not be saved.

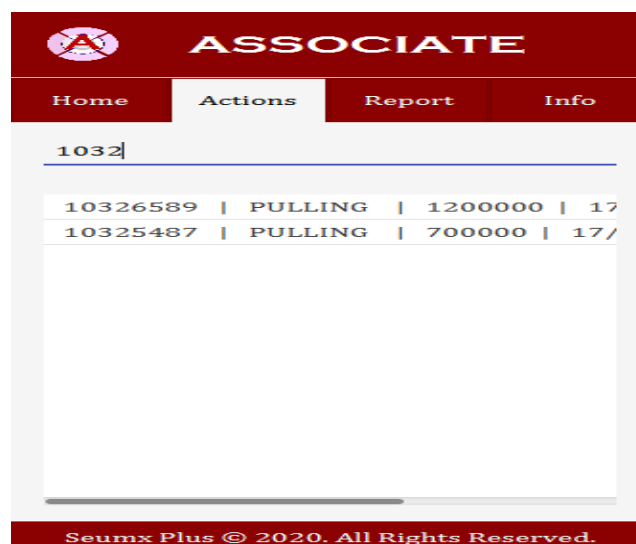

Furthermore on the appbar menu Click ACTIONS and your saved transactions will be displayed as in fig below.

The screenshot shows the ASSOCIATE app interface. At the top is a red header with a white 'A' logo and the word 'ASSOCIATE'. Below the header is a navigation bar with four tabs: 'Home', 'Actions', 'Report', and 'Info'. The 'Actions' tab is selected. Below the navigation bar is a section titled 'Sort Items' with a horizontal line. Under this line is a list of transactions, each with four columns: ID, Status, Amount, and a date/time indicator. The list contains 12 items. At the bottom of the screen is a red footer with the text 'Seumx Plus © 2020. All Rights Reserved.'
